

**SMALL UNMANNED AIRCRAFT SYSTEMS PROGRAM
BERKSHIRE COMMUNITY COLLEGE
PROGRAM PARTICIPANT'S AGREEMENT**

I have registered as a program participant in __BERKSHIRE_ Community College's Small Unmanned Aircraft Systems Program (hereinafter "drone program") through the College's __STEM_____ Department. I acknowledge that my participation in the drone program is contingent upon the following terms and conditions:

As directed by the Contractor, I shall possess and maintain all required state and/or federal certificates and/or licenses necessary to participate in the drone program, if any;

I shall purchase and maintain throughout my participation in the drone program a full membership to the Academy of Model Aeronautics, which includes personal liability coverage of two million five hundred thousand dollars (\$2,500,000.00) and medical coverage of twenty five thousand dollars (\$25,000.00);

I shall maintain full compliance with all applicable state and federal laws and regulations regarding the use and operation of a drone, including but not limited to 14 CFR part 107;

When operating a drone, I agree not to: exceed 400 feet above ground level; fly near other aircraft; fly over any persons not directly participating in the operation of the drone, under a covered structure, or inside a covered stationary vehicle; operate from a moving vehicle; or operate while under the influence of drugs or alcohol;

I shall always maintain a visual line of sight of my aircraft without the aid of any device except corrective lenses;

I agree to comply with all directions issued by the Contractor when operating a drone;

I agree to
