

AssoAnportant Information

Students who have met all ADN admission requirements by September 1st will be considered for admission for the spring semester. Admission decisions are made in mid-September and students are notified of their acceptance by mail/email.

Acceptance into the ADN program is competitive and while published minimum standards may have been met, it does not guarantee admission.

The following criteria are considered in the admissions process using a rubric to determine points earned (a minimum of 15 points is required):

Nursing.
